

```
/*
bug_1

This program is not printing out 10 stars
as indicated in the comments below. Find and
fix the bug.
*/

#include <stdio.h>
#include <cs50.h>

int main(void)
{
    // prints out 10 stars in line across the screen
    for(int i = 0; i <= 10; i++)
    {
        printf("*");
    }

    printf("\n");
}
```
